Did you know that in America there are nearly **1 million** unborn babies who die from abortion each year? The figures worldwide are over **50 million** per year.

New Life Pregnancy Centers

The seven New Life Pregnancy Centers across Arizona are here to support human life each day as women receive pregnancy-related help and care, including free pregnancy testing, ultrasounds, diapers and clothes, crisis counseling, parenting classes, Bibles, and prayer. In 2009 nearly 1,000 women received pregnancy tests and counseling, over 400 were given Bibles, 6 prayed to receive Christ and at least 34 abortion-minded women chose life for their baby after meeting with a counselor.

Sanctity of Human Life Sunday

Since 1983, Sanctity of Human Life Sunday has been recognized nationally as a day to celebrate the value of human life. New Life Pregnancy Centers are saving lives of unborn children and caring for women who are struggling everyday. Recently, a volunteer was approached in a restaurant by a young woman who recognized her. The young woman said, "You are the lady who counseled me to keep my baby!" It was such a special moment when the woman showed a picture of her child to the volunteer. This is just one life that has been saved through New Life Pregnancy Centers.

"There is a way which seems right to man, but its end is the way of death."

Proverbs 14:12

Support the Pregnancy Centers

There are some important ways to support the Pregnancy Centers. *Baby Bottle Campaigns* are an easy and fun way for churches and groups to get involved. We provide the baby bottles and individuals/families fill them with their spare change for a month. You can also sponsor one day at a center in honor or memory of someone special with a \$25 donation as part of our *Adopt-A-Day program*. We are always looking for volunteers to counsel clients, teach parenting classes, provide office support, and manage our material goods inventory.

Pregnancy Center Needs

Please Pray For:

- *The pregnancy counselors
- *The women who come in for help
- *Opening new center locations soon

Material Needs:

Baby Items: We are always in need of baby items such as clothes, wipes, hygiene products, blankets, strollers and car seats.

Diapers: We are facing a great shortage of diapers each month and are unable to meet the current need. The larger sizes would be especially helpful.

Please consider helping the pregnancy centers as they support life by meeting physical needs and sharing the true hope found in Jesus Christ. Contact us for more information at 1-800-678-0648 or info@abcs.org.
